Connect with colleagues and peers

**Tuesday, August 21, 2018: Walkabout in Lund and reception**

Before the first full day, we meet in the evening in central Lund and do a guided walk in Lund City center. A visit to the Cathedral and a walk on cobblestone streets end with a welcome reception where you can hang out and meet both old and to be colleagues.

**Wednesday, August 22, 2018: MAX IV tour**

A guided tour at MAX IV, a Swedish national laboratory providing scientists with the most brilliant X-rays for research.

**Thursday, August 23, 2018: Gala dinner**

As always - a conference gala dinner, located in Lund City center.

**Saturday, August 25, 2018: Full Circle Trip!**

This year we are presenting an extra event, to make our best in "connect with colleagues and peers." Stay another day and join us on a "Full Circle Trip"!

Leaving Lund northbound by train to Helsingborg, boat trip to Denmark and Elsinore (home of Hamlet). Southbound by train towards Copenhagen, making a stop at the world famous Louisiana Museum of Modern Art.

End the day by you own choice, late night in Copenhagen or directly to Lund.

A splendid opportunity to enjoy Sweden, Denmark and the company of peers.
